Puzzle 0224

After the ***first*** of his wallet by a pickpocket, the young man decided to ***second*** around the station entrance, checking to see if he could see the thief in action, but ***third*** person he saw just seemed to be going about their normal business, except, perhaps, the young girl hiding behind the ***fourth*** in the florists, but even she was more likely to be waiting for a romantic ***fifth*** with her own young man.
